

EUROFISH INTERNATIONAL ORGANISATION seeks a new Director from 1 March 2022.

Eurofish is a non-profit, international organisation with 13 member countries headquartered in Copenhagen, Denmark.

Eurofish contributes to the development of fisheries and aquaculture by publishing marketing and industry-related information in the Eurofish Magazine and on the organisation's websites, as well as by organising conferences, workshops, seminars, business-to-business meetings, and by implementing a variety of projects in the fields of production, processing, and trade and marketing of fisheries and aquaculture. Eurofish has in-depth knowledge about the fisheries and aquaculture sector in Europe and neighbouring countries and an extensive network in the region.

The Director of Eurofish will take over a dynamic organisation, currently consisting of 9 staff members. The new Director will take the organisation into a new phase of further consolidation and growth, with ample room to put his or her imprint on the structure, design, and work of the organisation, sharpen its strategy and develop its programmes.
