BSAC Executive Committee and General Assembly

Wednesday 11th May 2022

Danish Food and Agriculture Council, Copenhagen

Dear BSAC members and observers,

This comes to you from me, the BSAC ExCom Chair and on behalf of the BSAC Honorary Chair. You are warmly invited to the above meetings which will be at the Food and Agriculture Council, Axelborg, Axeltorv 3, 1609 Copenhagen V.

./ Please see attached the draft agendas. The annexes will follow.

We plan to provide limited streaming via Microsoft Teams, so members who are unable to get to Copenhagen can hook up. For practical reasons, we are unable to provide interpreting with booths. The best we can do is whispering interpretation for those in the meeting room. Please let us know.

We also remind you about the elections for:

- At the Executive Committee meeting for a Vice Chair [there is currently no Vice Chair]
- At the General Assembly meeting for a Chair of the Executive Committee [ExCom Chair Esben Sverdrup-Jensen is stepping down at the meeting]

We need your nominations (with a short CV of your nominee and why you nominate) for the two nominated office bearers. Please send them to the Secretariat by Wednesday 27th April 2022.

Please confirm to the Secretariat sc@bsac.dk your participation at these meetings (make clear which meeting/s) and if you have anything for the agendas by Wednesday 27th April 2022.

If you have any questions/input about the meetings or travel, please contact the Secretariat. Travel expenses (economy class) and hotel costs will be reimbursed to BSAC members (1 person from each organisation). A list of hotels is on the BSAC website.¹
