

Monday 7th February 2022

To BALTFISH Member States, BSAC members, DG Mare, EFCA and observers

BALTFISH, the BSAC and EFCA are pleased to invite you to a joint Workshop on monitoring, control and enforcement of the Landing Obligation.

It will take place on 7th March 2022 as a videoconference meeting (by Zoom) from 9.30 – 16.00 CET. Interpreting GER-ENG-GER and PL-ENG-PL will be provided.

The morning session will deal with implementation of the CFP in the Baltic Sea, the current situation and future needs for discard data, monitoring the regional implementation of the landing obligation in the Baltic Sea, and results of the EFCA LO compliance evaluation. The afternoon session will cover main issues in relation to the implementation of the LO, REM as a tool for improving compliance with the LO, including a pilot project in the Baltic Sea, and conclude with final considerations.

We anticipate participation by the Member States (BALTFISH), the BSAC, EFCA, and the European Commission.

Please find attached a draft tentative agenda for the Workshop. ./.. The final updated agenda will be distributed later on, ahead of the meeting.

Please send your registration to sc@bsac.dk by Monday 28th February 2022.

Kind regards,

BSAC Secretariat

Sending on behalf of all of the above.
