BSAC 2025-2026/19

Dear Julia,

Dear Antoine,

Dear MARE-AC,

Following the discussions held at the ExCutive Committee meeting on 28 January 2026, and in the light of the information that input from the BSAC members could be taken into consideration for the Code of Conduct/Guidelines that the Commission will be discussing later on this spring, the BSAC consulted its members until 12th February 2026. Replies were recieved by the deadline from the Executive Committee members representing the Danish Fishers PO, Swedish Pelagic PO and Swedish Fishermen PO, European Fishmeal and Fish Oil Producers, Low Impact Fishers of Europe and Fischereischutzverband (Association of Fisheries Protection), BalticSalmon Fund/Baltic Salmon Rivers Association, WWF and Coalition Clean Baltic.

The comments are attached to this letter.

The BSAC stands ready to provide further comments on the draft Code of Conduct/ Guidelines later this spring.

Sincerely yours,

Jarek Zieliński

BSAC Executive Committee Chair
